

Subject: Coin collection inspection

Thomas, Harry L., Mrs.
[Weehawken, NJ]

1929

To the Amer. Numismatic Soc'y
Dear Sirs;

Will you please
tell me, if I can bring a
collection of coins, made
about 40 years ago, to
you for inspection, I am
unwilling to take them to
any advertised dealer
selected at random, as
I am anxious to establish
their usefulness and place
in a collection. The earliest
date I am able to decipher
is 1747. If you will

Kindly advise me if
this quite all right to
bring them up to you
I will do so very soon.
Perhaps you ^{will} tell me
the time when I can show
them to some one in authority.
The package is heavy for
me to carry so far unless I
am sure of their being
examined.

Very sincerely -
(Mrs.) Harry L. Thomas.
